SUBJECT : 15th National Convention of Lawyers

The Integrated Bar of the Philippines (IBP) will hold its 15th National Convention of Lawyers on March 20 to 22, 2015 (Friday to Sunday) at the Waterfront Cebu City Hotel & Casino, Lahug, Cebu City. The IBP traditionally calls the National Convention every two years as a forum for members to meet and discuss subjects of importance to the profession.

With the theme ***"IBP: A Renewal and Revival of National Relevance"***, the convention aims to identify the relevance of lawyers in our present national situation, while reaffirming our conviction to elevate the standards of the legal profession to improve the administration of justice, and enable the Bar to discharge its public responsibility more effectively. It features lectures and discussions on various topics which will be very beneficial to law practitioners, especially to those in public service.
